

## *Pastor's Corner*

My Brothers and Sisters:

Our School Principal, Ms. Sarah Watson, has accepted the position of Assistant Superintendent for Elementary Education for the Archdiocese of Indianapolis. This is a full-time job, and so she will be leaving us as our school principal after this school year.

We are all happy and saddened by this.

We are joyful for her getting this job. Having experienced so many of her gifts and talents here, we know she will be a boon for the entire Archdiocese.

We are saddened at the thought of not working with her daily in the near future.

Please pray for everyone involved in our search for our next principal. Please keep in your prayers, also, all of our present and future school families.

And Sarah – this is the beginning of many thanks we will be sending your way in the weeks ahead.

Easter Blessings to Everyone,

Fr. Tom
