

Pastor's Corner

My Brothers and Sisters:

Welcome Back! These words will be on my mind, and hopefully regularly on my lips, in the weeks and months to come. With the lifting of the dispensation from the obligation to go to Mass starting this weekend, I thank everyone who has been patient since I asked everyone to come every-other week due to the reduced numbers of people we could have in church for each Mass during this past year. I officially declare this is no longer needed, we are taking the ribbons down from the pews, except the section next to the Blessed Sacrament Chapel – which is for those who sense the need to still maintain some distancing.

We will be using the language that everyone is “strongly encouraged” to wear masks. The local mandate regarding masks is relaxed for those who have been fully vaccinated. But I ask that everyone be generous and respectful in your care for those who wear masks and are careful of touching for various reasons.

In Prayer,

Fa. Tom
