Pastor's Corner

My Brothers and Sisters:

Twelve years...don't they go quickly?

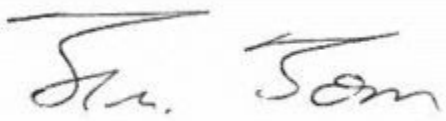

As this last week here at Saint Lawrence unfolds, I find there is much I want to say, and little time to say it.

It all gets down to: Thank You.

Thank you for all the expressions of love and prayers you are giving me. Thank you for all the gifts and helps you have given me over the years. Thank you for your example and witness. Thank you for all you do to help everyone in the parish and to make our parish of Saint Lawrence grow and announce the Good News by your service, your outreach, your invitation, and your visible Christian lives.

I will miss you, and you will continue to be in my prayers daily. Please continue to pray for each other. And to pray for vocations.

In Christ, Our Hope,

Fr. Tom
